MUNICIPAL CORPORATION INSPECTOR 2

"Skyline Tower" a gleaming office is managed by Faci Care Services, a Facility Management company renowned for its efficiency and cost-cutting prowess under Vikram Sharma. For-profit margins he doesn't even mind violating the environment. Later, he gets into a big trouble.. Let's see what happens..

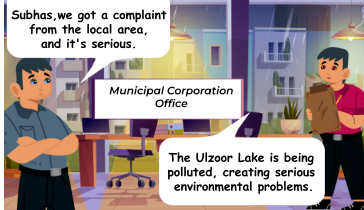

VIKRAM SHARMA, CEO of Faci Care Services, who manages the Skyline Tower, is on a call.

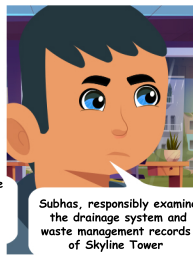

Families are enjoying a day out. Suddenly, a kid holds a fish with strange discoloration.

Municipal Corporation receives a complain of the lake, so INSPECTORS gathered to review the reports and photos.

Sir, This pollution is coming from the commercial building "Skyline Tower". Here are a few pictures.

Yeah Sir, we will do that.

Inspectors found discrepancies in the waste management records and discovered the missing...

Moving forward . . .

"The story unfolds"

Vikram is in a meeting with his management team. A Municipal Corporation enters, holding a file.

Mr. Sharma, we have evidence that your service delivery team is violating environmental regulations. We need to Take actions.

What? No. It cannot happen.

Here's the proof and this evidence is irrefutable.

Sir.. Sir, You have proof now I can't deny this. But can we compensate?

Mr. Sharma, it would be better if you do not try all these. Otherwise, you will be found behind the bars.

You're facing substantial fines and mandatory upgrades. Come to the municipal Office tomorrow without any due.

A NEWS ANCHOR reports on the scandal. Images of polluted Ulloor Lake and sick residents flash on the screen.

Faci Care Service is facing legal action and hefty fines for violating environmental regulations. The company's negligence has led to severe pollution in Ulloor Lake.

Skyline Tower terminates the contracts with Faci Care Services

Sir...

Vikram we are terminating our partnership. Because of your company we have faced a lot of problems.

The lake is being cleaned by volunteers and professionals. Fish are seen returning to the clearer waters. Families start coming back to the lake.

MORAL OF THE STORY :

"THE COST OF IGNORING ENVIRONMENTAL RESPONSIBILITIES FAR OUTWEIGHS THE SHORT-TERM SAVINGS. LET'S COMMIT TO SUSTAINABLE PRACTICES FOR A BETTER FUTURE."
